These Salon Deals are a promotion of an operational lease reserved for individual customers residing in Belgium, relating to the Dacia Sandero Sce 65 Essential and the Dacia Spring Expression Electric 70.

The mentioned monthly rental prices are merely indicative and subject to changes in taxation, the interest rate and the catalogue price of the vehicle and also depend on the changed options, configuration and equipment of the vehicle.

These mentioned monthly rent prices (incl. VAT) were calculated on the basis of the parameters valid on 17/11/25, for a term of 60 months and 10,000 km per year and with the services listed below, and this for the following models, and this with the mentioned options, packs and services per model:

Dacia Sandero Sce 65 Essential: average consumption: 5,4l /100 km (WLTP), CO2: 122 g/km (WLTP), indicative fiscal value: 13.389,99 EUR.

Dacia Spring Expression Electric 70: average consumption: 14,1 kWh /100 km (WLTP), CO2: 0 g/km (WLTP), indicative fiscal value: 18.490,00 EUR.

For your information: the monthly rent of a rental agreement for a Salon Deal vehicle is calculated according to the agreed contractual term (between 25 and 60 months) and annual mileage and includes: maintenance, repairs, unlimited summer tyres in case of normal use/wear and tear, registration tax (TMC), road tax, depreciation and interest, European assistance service, Perfecta service (Arval Belgium SA covers the risk of damage to the vehicle, total loss or theft) with own risk (lump sum) to be paid by the renter and insurance**.

Not included in the monthly rent: unlimited winter tyres in case of normal use/wear and tear (optional), a replacement vehicle in case of immobilization of more than 24 hours (optional), energy and/or fuel costs and traffic fines. The CO2 levels are also indicative and depend on the options chosen and/or the data provided by the manufacturer. At the end of the rental agreement, the mileage will be settled at the last contractually agreed price. In the event of early termination of the rental agreement, a fixed sum corresponding to 30% of the total amount of the outstanding rent will be charged.

** Third-party liability insurance, legal protection insurance and driver's insurance are included in the monthly rent price when taken out by Arval Belgium NV, in the name and on behalf of the renter. Arval Belgium NV is registered as an ancillary insurance intermediary with the Financial Services and Markets Authority (FSMA - www.FSMA.be) under number 0436.781.102. These insurances can also be taken out with the insurer of your choice. Third-party liability insurance is required by law.

If the monthly rent indicates a prepayment amount, it means that the payment of this amount will reduce the amount of the monthly rent for the duration of the rental agreement. Prepayment is not a "guarantee" or a "deposit". In the event of early termination of the rental agreement, this prepayment will not be refunded, except in certain cases specified in the prepayment conditions. The estimated delivery time of the vehicle depends on its availability from the manufacturer and/or importer and/or the equipment and/or configuration chosen.

This document does not constitute an offer and is not binding or contractual. A rental contract will only be concluded after acceptance of your application by the lessor, Arval Belgium SA and will always be subject to its Private Lease general terms and conditions.

Arval Belgium SA cannot be held liable for the inaccuracy of the information contained in this document. The photos are shown for illustration purposes only and may differ from the vehicles offered for rent.
